Food contact conformity declaration

The present document testifies that the product:

396160   V2BE206.39202   EM V, larg.20.6 cm, bleu, 2 plis gafré-collé, Carton 20 x 200

is compliant with EC Regulation n. 1935/2004;
is compliant with EC Regulation n. 2023/2006;
is compliant with IT Ministerial Decree 21/3/1973 and subsequent modifications;
is compliant with IT Decree of the President of Republic 777/1982 and subsequent modifications.
The material product which is the object of this declaration is manufactured with:
pure cellulose pulp (100%)
The product is made using raw materials and adjuvants present on the “positive lists” of current legislation; it conforms to the regulations on composition and purity that have been established with regard to food contact materials for which migration tests are required, and it respects all specific restrictions which may be applicable (Heading II Section IV Art. 27 Paragraph 1, letter a) of the Ministerial Decree 21/03/1973).

With reference to the above mentioned manufactured product we hereby also declare:
contact with the above described food material must take place on the non decorated side.
The industrial or commercial utilization of the material indicated in the present declaration does not exclude its inspection to determine its conformity with the current laws in force and its technological suitability for the purpose it is destined to.
Moreover the present declaration is specifically valid only for the material product supplied by us and cannot be extended to cover a possible subsequent transformation of this same material.
This declaration has a two year validity period starting from the above mentioned date and will be substituted in the case of substantial changes to the production of the material described in this statement which would modify certain essential requirement for its conformity, or when legislative references mentioned in the present declaration are modified and updated in such a way as to make it necessary to undertake a new verification for the purpose of assuring its conformity.

Your faithfully,
Andrea Urso.
